

**Belgian Association for Paediatric Anaesthesiology**

Section of the Belgian Society for Anesthesia, Resuscitation,  
Perioperative Medicine and Pain Management (BeSARPP)

**Candidacy BAPA board**

Dear members,

In 2026, some members of the BAPA board will end their mandate. Consequently, BAPA members can apply as candidate consistent with the distribution code and other clauses described in our statutes:

*It is important that all candidates agree with the BAPA missions.*

*Candidates have to be a member of the BAPA the year they are to be elected.*

All candidates are invited to send in their candidacy by email (CV, photo and a short motivation) to the BAPA office before April 30th 2026. These data will then be displayed on the BAPA website so that all members can get to know the candidates before voting. The election itself will take place at the General Assembly, before the BAPA Webinar on 21<sup>st</sup> of May 2026 at 19h00 online.

We are looking forward to receive your candidacy.

Kind regards,

Nadia Najafi  
President of the BAPA

Joris Vundelinckx  
Vice President of the BAPA
